

Partnering in Your Success

OFFSET THE COST OF IN HOUSE DIAGNOSTICS WITH YOUR REFERENCE LABORATORY—**AViD LABORATORIES**

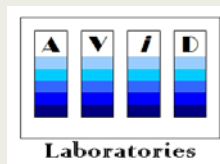

AViD Laboratories allows clinics to offset the cost of in-house digital x-ray and laboratory equipment acquisition and utilization with

our **In-House Rebate Program**. Partnering with Oxford Science, your rebate is calculated based on the equipment that you choose and the volume of specimens that you send to AViD Laboratories.

“This program allowed our clinic to acquire the equipment that we needed while improving the quality of diagnostics that we receive from our reference laboratory.”

In addition to providing your practice with quality diagnostics at an affordable price, AViD Laboratories In-House Rebate Program provides you with the tools and resources to make the most of your diagnostics.

- Serving clinics across the USA.
- Improved ROI.
- Quality Diagnostics.
- Lower Operating Expenses.
- Customer Service that EXCEEDS your Expectations!

Do You Want to Know More?

We would be happy to provide a complete no obligation financial analysis for your practice. Please use this sheet as a cover sheet and fax or email a previous invoice from your current reference laboratory. We will cross-reference your lab codes, quote our comparable tests, and calculate what your rebates would have been. This will quickly give you a clear picture of the kind of impact this program would have on your practice.
